

ST. PHILIP PARISH COUNCIL NEEDS YOUR HELP!

The Parish Council is seeking new members and will be giving out Volunteer Forms during all Masses, May 22nd and 23rd.

While most of you are aware there is a Parish Council, many of you may not be clear on what the Council does or what time commitment is involved. The Council can best be described as an advisory and decision-making body to the Pastor and Parish staff for the Parish's various ministries and business affairs. It meets once a month in the School Board Room from September through June. The terms are for two years.

Parish Council is a great way to answer the call for stewardship and contribute your time and talent to St. Philip.

For FAQ's about the Parish Council, please see Parish web site, www.stphilipnorwalk.org.
