Thirty Third Sunday in Ordinary Time

November 14, 2021

National Catholic Youth Conference

This year 10 of our teens along with Fr. Sudhir and our Youth Minister, Jennifer Boccannuso will attend the National Catholic Youth Conference (NCYC), November 18-20. They will be flying to Indianapolis, along with others from the Diocese of Bridgeport. The students thank you for your generosity and continued prayers.

While Father Sudhir is away, Father Boccaccio will be covering all weekend Masses on November 20 and 21.

Gratitude on the Green

Monday, November 22, 6:00 to 7:00 pm All are invited and encouraged to come out for a new event that is co-hosted with

area churches and civic organizations: **Gratitude on the Green** brings us together from across the Norwalk community, from many religious traditions or none, to celebrate through song, poetry, and spoken word our shared practice of grateful living. This event is meant for all ages and is fully accessible.

Thanksgiving Food Collection

Thanks to the generosity of all Parishioners who donated food and turkeys this weekend, all of our Food Pantry families will enjoy a bountiful Thanksgiving meal.

The baskets will be distributed **Friday November 19**. So, if you forgot to bring something to Mass, donations can be left in the bins under the carport at the office.

Saint Augustine Medal of Service

In last week's bulletin, we mistakenly left out James J. Keavney who most deservedly received the award in 2007.

Mass on Thanksgiving Day

On this Thanksgiving Day, let us thank God for His goodness to us. We are truly blessed to be able to serve Him and His people through our various Parish ministries. Our brethren in Haiti have suffered much loss and destruction this year. Our offertory collection at the **9:00 am Thanksgiving Day Mass** on November 25, will assist with its rebuilding and healing. Let us share our blessings with them, and continue to keep the people of Haiti in our prayers.

PICK OF THE WEEK

SCIENCE, THE ORIGIN OF THE UNIVERSE, & GOD BY FR. ROBERT SPITZER

All too often, science is falsely pitted against Faith to disprove the tenants of Christianity. In this informative talk, Fr. Robert Spitzer, SJ—expert in physics, philosophy, and theology—debunks this powerful myth as he discusses the Big Bang and the origin of the universe with sound reason, credible science, and faithful theology. This talk is a must-listen for anyone wrestling with the biggest questions regarding science and Faith.

Online Giving - Weekly Offertory

For many years, during our Stewardship, you have been encouraged to use Online Giving for the offertory. As was presented during in last week's Finance presentation, online giving by many of our Parishioners has been providing the Parish with stable income, even when we were unable to attend Mass in person. If you have not yet signed-up, it is easy to do and the links are on the Parish website www.stphilipnorwalk.org. It is quick and easy. Supporting your Parish is essential for the Parish to remain strong in the spiritual life of all FAMILIES. There are also cards at all doors of the Church with information about online giving.
