

This past Sunday was the kick-off for our Faith Formation year and the Birth of Mary Procession. It was wonderful to see so many people in Church - **we had over 400 people at the 10 am Mass!** I hope these numbers will continue in the coming weeks.

We have changed our program a little bit to help parents with young children - ages 3 to 7. We will do the best we can, and we would request the parents to help us in our work of forming our children in faith.

This email is a little long, but we have so many things going on especially the Fall Festival. We need a lot of help from everyone to make it a success. Please sign up! If you have any questions or are not sure where to sign up, please contact me or reply to this message.

Please continue to pray for all victims of natural disasters, especially the victims of the horrific floods in Libya and devastating earthquake in Morocco. May Our Blessed Mother protect, strengthen and comfort all those effected.
